

**Requisition # 107448**

### **Unit Summary**

The Operating Room at McMaster is a tertiary trauma centre and provides care to a high volume, critical, acute, adult, pediatric and neonate surgical population. With 8 Operating Rooms and 2 Procedure Rooms, the multidisciplinary team functions within a complex, fast-paced environment. Together, the multidisciplinary team collaborates to provide excellent health care to pediatric surgical patients (General Surgery, Neurosurgery, Orthopedic, Urology, Plastics, Dental, Ophthalmology, ENT), adult ambulatory patients (Sports Medicine, Plastics, ENT), and gynecological patients at McMaster.

Members of the multidisciplinary team within the McMaster Operating Room are encouraged and supported in pursuing continuing education and professional development opportunities. There are many opportunities to develop clinical expertise, pursue leadership roles and advance your career as we fulfill our mission to provide Best Care for All.

### **Position Summary**

As a member of the healthcare team, the Registered Nurse is responsible for the coordination and evaluation of patient care within the Operating room. The Registered Nurse provides nursing care to meet patient needs and guides/ directs and works with the multidisciplinary team in meeting those needs.

### **Schedule Work Hours**

Days, evenings, nights, weekend, holidays, (on call as required)

### **Qualifications**

1. Current Certificate of Registration with the College of Nurses of Ontario as a Registered Nurse
2. Current BCLS certification
3. Peri-operative Certification
4. Recent relevant experience participating in a formal operating room program provided by a recognized employer or has completed a Certified Post-Registered Nurse Peri-operative Course
5. Operating Room experience (minimum 3 years and not more than 2 years since last experience)
6. Recent (within the last 2 years) experience and demonstrated skill and ability in neurosurgery, orthopedics, general adult and pediatrics, ENT, plastics, gynecology, urology and dentistry/dental
7. Demonstrated knowledge of patient care requirements and peri-operative standards in the assessment and management of adult, pediatric and neonate surgical patients
8. Demonstrated interpersonal, communication and teamwork skills

- As a condition of employment, you are required to submit proof of full COVID-19 vaccination to Employee Health Services.

### **Salary**

\$35.52 - \$50.85
