MOUNT ROYAL UNIVERSITY

Assistant Professor, Nursing – Limited Terms

The successful applicants must, at minimum, be qualified to teach all introductory-level nursing courses and be prepared to actively participate in program and curriculum development.

- 1 year Limited Term (3599) - Preference will be given to applicants who have expertise in adult health acute care (medical/surgical) and/or recognized simulation credentials and experience with simulation education.
- 2 year Limited Term (3598) - Preference will be given to applicants who have expertise in adult health acute care (medical/surgical), pathophysiology and recognized simulation credentials and experience with simulation education.

New faculty are hired into one of two work patterns. The teaching/ scholarship/ service pattern (TSS) has a focus on teaching with the requirement that the faculty member be involved in a research program as well as service to the Mount Royal community. The teaching/ service pattern (TS) has a focus on teaching and service only. The successful candidates will be hired into the teaching/service pattern (TS). There is an option to change work patterns after tenure.

Qualifications

- A minimum of Master's degree in nursing with PhD degree or PhD near completion preferred
- A minimum of three years' experience in their declared area of expertise
- Registered or eligible for registration with CRNA
- Immunizations for the practice area (including Alberta Health Services) are required

In addition, any of the following would be considered an asset:

- Experience in curriculum redesign
- Demonstrated commitment to enhancing equity, diversity, inclusion and accessibility (EDIA)
- Experience in teaching pathophysiology and adult health
- Medical/surgical acute care teaching experience
- Medical/surgical acute care clinical experience (minimum 5 years)
- Experience with simulation as a teaching strategy
- Experience developing and supporting simulation educational strategies

In addition, any of the below would be considered an asset for the 2 year Limited Term (3598):

- A program of scholarship
- Online teaching experience

Key Faculty Responsibilities

- Collaborating effectively with full-time and contract faculty members on curriculum development and program refinement
- Remaining current in areas of teaching responsibility and maintaining awareness of emerging trends in evidence-informed practice.
- Contributing to the program, School, Faculty, university, and broader nursing community through various levels of service-related activities

Closing Date: **March 19, 2026**

To Apply: 1 year Limited Term (3599) / 2 year Limited Term (3598)
